There are plenty of\$% online colleges you can start anytime. These come in a few varieties, which can meet the needs of even the most demanding schedules: ... Multiple Start Dates: Other online colleges offer programs with up to six start dates annually, or around every two months, with accelerated seven or eight week terms. Can I put online courses on my resume? Yes. It is a good idea to put Relevant completed online courses on your resume, especially if you have a certificate for it. In the Education section, write about your formal education - namely, your Bachelor and Masters degrees. Are scholarships available? Scholarships are offered by a wide array of organizations, companies, civic organizations and even small businesses. Some scholarships require students to meet specific criteria, such as a certain grade point average or extracurricular interest. Applications for scholarships should be submitted well ahead of the school enrollment deadline so students have a better idea of how much of an award, if any, they will receive. Are online courses any good? After all, taking an online course from a big brand business school doesn't require weeks or months of studying for a standardized test. You can do it without having to quit your job or make long sacrifices of time from your family. And it costs just a fraction of what you would pay in a full- or part-time MBA program, or for that matter, an online MBA or Executive MBA program.
